14       Sec. 10.   EFFECTIVE DATE.   This Act takes effect June 1,

16	EXPLANATION
----	-------------

17           The inclusion of this explanation does not constitute agreement with  
18           the explanation's substance by the members of the general assembly.

19       This bill provides for the legal sale and use of novelties  
20 and consumer fireworks within the state.

21 The bill provides that the state fire marshal has the duty to  
22 enforce all laws, and rules of the department of public safety  
23 concerned with the storage, transportation, handling, and use  
24 of fireworks.

25 Current law provides that a person, firm, partnership, or  
26 corporation who offers for sale, exposes for sale, sells at  
27 retail, or uses or explodes any fireworks, commits a simple  
28 misdemeanor. Current law, however, also provides that a county  
29 board of supervisors or the department of natural resources may  
30 grant a permit for the display of fireworks if the fireworks  
31 display will be handled by a competent operator. Current  
32 law further provides that the term "fireworks" includes any  
33 explosive composition, or combination of explosive substances,  
34 or article prepared for the purpose of producing a visible  
35 or audible effect by combustion, explosion, deflagration,

1 or detonation, including blank cartridges, firecrackers,  
2 torpedoes, skyrocket, roman candles, or other fireworks of  
3 like construction and fireworks containing any explosive or  
4 flammable compound, or other device containing any explosive  
5 substance with limited exceptions.

6 The bill maintains these restrictions for display fireworks  
7 and provides that the term "display fireworks" shall not  
8 include novelties or consumer fireworks. The bill provides  
9 definitions for the terms "novelties" and "consumer fireworks".

10 The bill requires that the state fire marshal establish  
11 a consumer fireworks seller license, and requires possession  
12 of such a license to legally sell consumer fireworks in this  
13 state. The state fire marshal is required to establish a fee  
14 schedule for consumer fireworks seller licenses. The bill  
15 establishes two classes of consumer fireworks and requires  
16 an \$800 annual licensing fee for a retailer who devotes 50  
17 percent or more of the retailer's retail floor space to the  
18 sale or display of first-class consumer fireworks. Retailers  
19 who devote less than 50 percent of the retailer's retail  
20 floor space to the sale or display of first-class consumer  
21 fireworks are required to pay an annual licensing fee of \$400.  
22 A community group that sells first-class consumer fireworks  
23 is required to pay an annual licensing fee of \$400. The  
24 bill requires an annual licensing fee of \$100 for retailers  
25 or community groups that sell only second-class consumer  
26 fireworks.

27 The bill requires that the state fire marshal adopt rules  
28 to require that licensed retailers and community groups only  
29 offer consumer fireworks for sale in accordance with specified  
30 industry standards. The bill also requires that retailers and  
31 community groups provide proof of and maintain public liability  
32 and public liability insurance. Under the bill, the state fire  
33 marshal is required to adopt rules to permit licensed retailers  
34 and community groups to sell consumer fireworks at conforming  
35 permanent buildings on a year-round basis and at conforming

1 temporary structures from June 13 to July 11 each year.

2     The bill also provides for the revocation of a consumer  
3 fireworks seller license for the intentional violation of  
4 licensing requirements. The bill establishes procedures  
5 for the revocation of such licenses and procedures for  
6 review for such revocations. The bill also establishes a  
7 consumer fireworks seller license fee fund under the control  
8 of the state fire marshal. The fund shall consist of the  
9 fees collected for the licensing of retailers and community  
10 groups. The fund is required to be used for administration  
11 and enforcement of the state fire marshal's consumer fireworks  
12 related duties and to provide grants to local fire protection  
13 and emergency medical service providers.

14     The bill requires that the state fire marshal adopt rules to  
15 require that wholesalers of consumer fireworks register with  
16 the state fire marshal and allows the state fire marshal to  
17 adopt rules related to wholesaler insurance and the storage  
18 and transfer of consumer fireworks by wholesalers. The state  
19 fire marshal is also required to establish a \$1,000 wholesaler  
20 registration fee.

21     Under the bill, a violation of a licensing or registration  
22 provision established in Code or by rule is considered a simple  
23 misdemeanor. A simple misdemeanor is punishable by confinement  
24 for no more than 30 days or a fine of at least \$65 but not more  
25 than \$625, or by both.

26     The bill provides that a person or a firm, partnership, or  
27 corporation may possess consumer fireworks as provided in the  
28 bill. The bill provides that a person, firm, partnership, or  
29 corporation who sells any consumer firework to a person who  
30 is less than 18 years of age commits a simple misdemeanor.  
31 A person who is less than 18 years of age who purchases any  
32 consumer fireworks commits a simple misdemeanor. A simple  
33 misdemeanor is generally punishable by confinement for no more  
34 than 30 days or a fine of at least \$65 but not more than \$625 or  
35 by both, but the bill provides for a fine of at least \$250.

1     The bill provides that the state fire marshal may order the  
2 suspension of the use of consumer fireworks, display fireworks,  
3 or novelties if the fire marshal determines that the use of  
4 such devices would constitute a threat to public safety. The  
5 bill also provides that a county board of supervisors may adopt  
6 a resolution to suspend the use of display fireworks. The bill  
7 provides that a person who violates such an order by the state  
8 fire marshal or resolution of a county board of supervisors  
9 commits a simple misdemeanor, punishable by a fine of at least  
10 \$250.

11     The bill also provides certain restrictions on the use  
12 or explosion of consumer fireworks. The bill prohibits the  
13 use or explosion of consumer fireworks at a time other than  
14 between the hours of 9:00 a.m. and 10:00 p.m., except on  
15 Memorial Day, the 4th of July, Labor Day, and New Year's Eve,  
16 and weekend days near such holidays. On specified days, the  
17 use or explosion of consumer fireworks is prohibited except  
18 between the hours of 9:00 a.m. and 12:30 a.m. on the following  
19 day. The bill further prohibits the use of fireworks by a  
20 person on the real property of another person unless the owner  
21 of the real property has consented to such use. Under the  
22 bill, a violation of these restrictions is considered a simple  
23 misdemeanor punishable by a fine of not less than \$50 and not  
24 more than \$500.

25     The bill takes effect June 1, 2015.
